What are you looking for in a Spouse? Somebody who is spiritually conscious, interested in their deen and prays regularly. Goes to the masjid, fasts, prays quran etc. He doesn't have to be perfect but has the motivation to improve and not be extremely conservative. A beard is not essential. I am not perfect but complete my basic duties as a Muslim and would like to improve.

Someone who doesn't mind a partner working after marriage and is willing to support a career/ education if required.

Someone who is established in a good profession and has ambition.

Someone who likes to be active and lead a healthy lifestyle and enjoys travelling.  
Dislikes someone who requires a stay at home wife, is traditional or controlling.
